wine breather

NEW

# DropStop® wine breather – Wine needs air

With our DropStop® wine breather we have taken the simplicity of the original DropStop® and integrated an aeration function to the award winning design. Replace your decanter with the DropStop® wine breather and release the flavour of your wine, all in the time it takes to pour a glass!

The DropStop® wine breather is simple, it aerates and you won't spill a drop!

The DropStop® wine breather is packed in Mini-Discs. We have developed a display option which makes it perfect for the counter top or the shelf next to the wine.
